The Students of

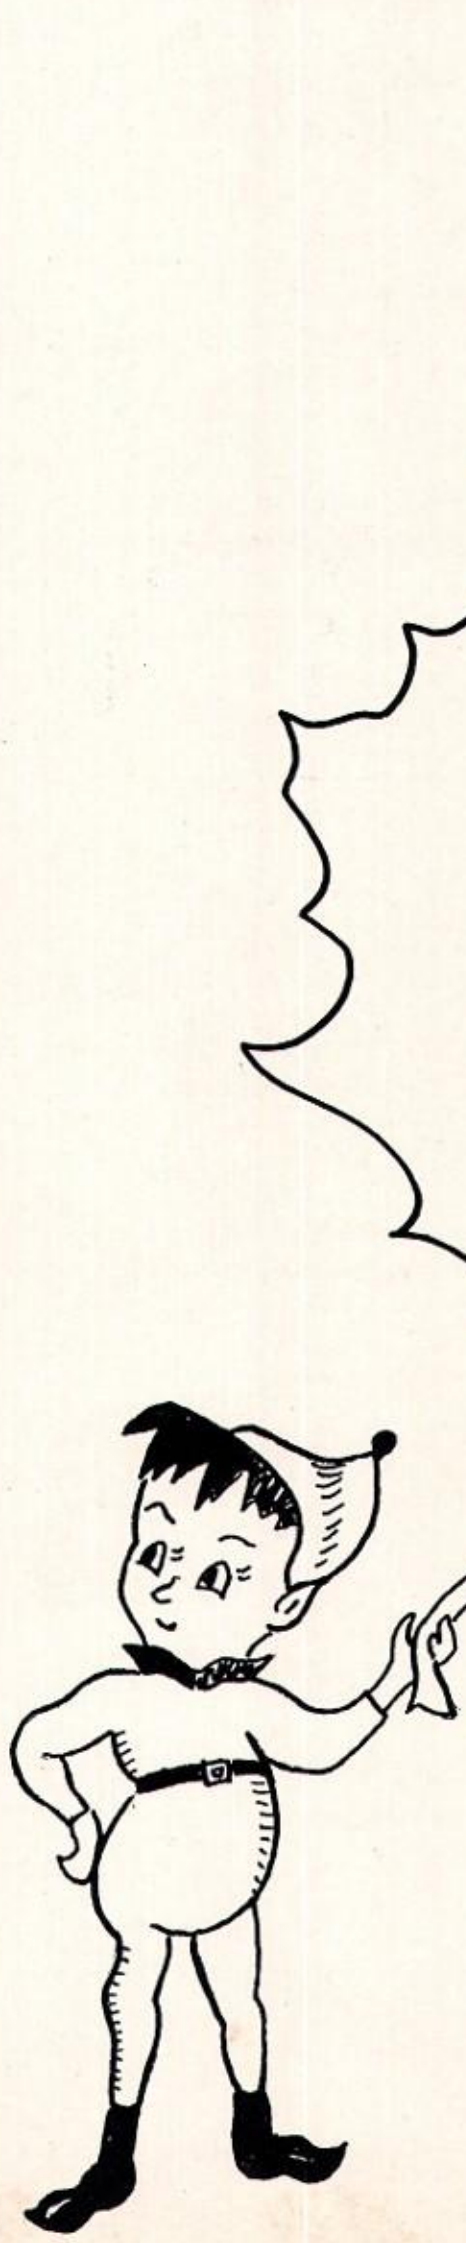
SYCAMORE HIGH SCHOOL

Proudly Present the

50TH EDITION

of the

LEAVES



1955

"THE LEAVES" was chosen as the permanent name of our yearbook because it is emblematic of the Sycamore Tree. The torch and shield is symbolic of the high ideals of learning held by our school. The Spartan portrays the teamwork and spirit displayed at Sycohi. This is the fiftieth edition . . . the golden anniversary . . . of our yearbook. The editors wish to extend best wishes to future editors for the success of the next fifty editions of "THE LEAVES."

SCHOOL BOARD

The school board is confronted each year with the problem of providing educational facilities and personnel for the boys and girls of this community. Our school board has done an excellent job of solving this problem. They have approved such things as painting the study hall, classrooms, and halls of the high school. They also provided the science rooms with some much needed equipment.

During the year they proposed the purchase of fifty-six acres of land for $45,000 to be used as a site for a new high school. This proposal was voted on and passed by the citizens of Sycamore.

As graduation approaches, the seniors of 1955 realize that their high school days are nearing completion. These last four years have been packed full of wonderful memories for each senior.

The members of this class have assumed leadership in all school organizations and have been active in sports. Some of the activities of the seniors have included a Senior Class Play and Homecoming, also there have been the G.A.A. Dance and the Junior-Senior Prom. The National Honor Society and the Student Council have been successfully managed by the seniors.

After a memorable Class Day, the Seniors of 1955 donned their caps and gowns for Baccalaureate and Commencement, their last roles as high school students.

Sycohi's best wishes go with them as they leave "With the Light of Today to Explore the Paths of Tomorrow."
